

OFFER Free 3-year Warranty with the Purchase of the Thermo Scientific Evolution™ 200 Series UV-Vis Spectrophotometer

the next Evolution in UV-Vis is here!

Presenting the award-winning Evolution™ 200 Series.

Built for ultimate performance and user experience, the next generation Evolution 200 series spectrophotometer brings the latest UV-Vis technology to your lab.

- Simplify your analysis and streamline your workflow with task driven software platforms
- Set up versatile solutions covering routine to demanding analysis
- Experience superior performance and low cost of ownership

The Evolution 200 series includes 3 models, each available with either a built-in computer for local control (LC) or operated by an external computer (PC).

- **Evolution 201** – Double-beam, high-resolution instrument with a wide range of accessories
- **Evolution 220** – All the benefits of the 201 plus added flexibility for different applications
- **Evolution 260 Bio** – All the benefits of the 220 plus software with built-in bio methods

Now, for a limited time, receive a 3-year warranty covering parts and labor when you purchase any Evolution 200 series spectrophotometer.

For details contact your Fisher representative or call **1-800-766-7000** (U.S.) or **1-800-234-7437** (Canada) for more information.
